

Abby

Have you ever been to Hoss? I have!

My uncle owns it but it's really great.

If you like bread, and buffets you will

love "Hoss." First you order, then you sit down

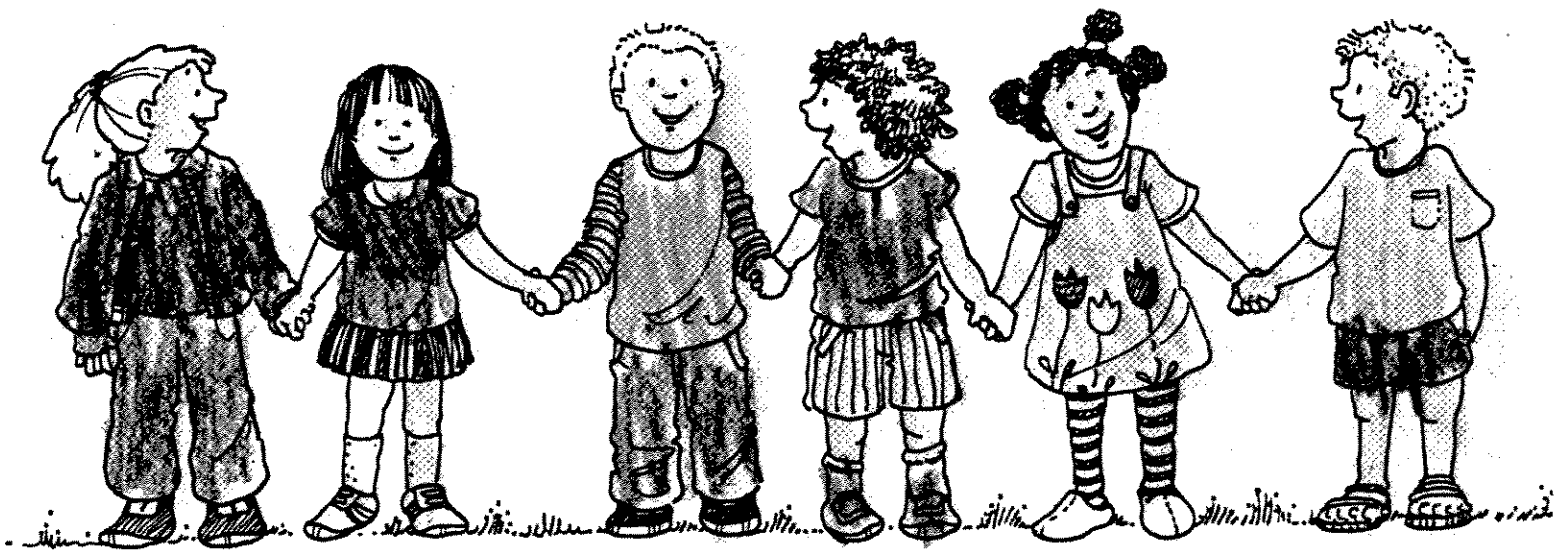

and go to the buffet. Then your food comes

After you eat your food you go to the

buffet to get ice cream. You get to choose

your own toppings. When your done with your

ice cream your done with your meal.

They have lots of food on their menu.

For example: steak, sea food, chicken, salad,

and soup. If you do not know what you

want to eat then ask your waiter or waitress

because they're really familiar with

the menu items. I think Hoss

is the best restaurant ever. I can't

wait to go back there again.
